VALLEY-WIDE PROJECT SEEKS APPLICANTS, VOLUNTEERS TO PAINT HOMES

GLENDALÉ, Ariz. – Are you a homeowner of a single-family residence who is physically unable to paint your home?

Then the Rock & Roll Paint-A-Thon program may be able to help. The program is a community-based effort designed to paint homes of applicants who are 60 years of age or older and/or have a permanent disability, limited financial resources and are unable to do the work themselves.

Glendale residents who match the above criteria are encouraged to apply for the program to paint their home by Sept. 19. Applications are available in Spanish and English by calling Rebuilding Together at 480-774-0237 or on-line at: www.rebuildingtogetherphx.org.

For residents who want to help paint the homes on Saturday, Oct. 25 in the fifth annual Wells Fargo *Rock & Roll Paint-A-Thon*, you can form a team of volunteers consisting of 15 to 25 people.

Volunteers from families, businesses, churches, schools, social service and civic groups will participate in the program. The deadline for forming a volunteer team is Sept. 26. All volunteers must be at least 14-years old and those under 18 must have a signed parent-permission form.

It is expected that teams of volunteers will sign up to paint more than 150 homes across the state. Last year 133 homes were painted during the one-day event, including 13 in Glendale. Only single-family, owner occupied residences will be painted. Homes must be in sufficient condition that scraping and spot priming are the only preparations needed.

If you or a group would like to sign up to volunteer to paint a home in Glendale, please contact Rebuilding Together at 480-774-0237.
